skcratch LABS

COMPANY OVERVIEW:

Skratch Labs is a fast growing, Boulder founded company that operates in the food manufacturing industry. They use real food, starting from scratch, to create sports nutrition that you actually want to eat. “Our products taste better and feel better--because they have no artificial sweeteners, isolates, colors, or preservatives that might cause GI distress--to help you perform better. So you can get out there and bust your butt, not your gut.” Products they offer include hydration drink mixes, energy chews, energy bars, recovery mixes, and more.
